

How to Send a Traditional Impression Case

Reach out to your preferred Leixir Lab to request your welcome packet. We offer a traditional or digital email welcome kit.

Request your Leixir Lab Rxs or UPS labels via mail or email for printing.

Include the Rx and any notes

Box up the case and contact your local UPS at 800-742-5877 or 800-PICK-UPS for a pick-up (they do need a 4-hour window)

Dental Laboratory Group

800-359-2043
